Scholarship	An exchange student from our partner institution is eligible for a JASSO scholarship. Those who would like to apply for a JASSO scholarship should check "Yes" for "JASSO" in Question 1, "Are you intending to apply for a Japanese scholarship?" at page 4 of an application form. Only applicants who ticked it will be considered for scholarship nomination. Being nominated by Kyushu University, however, does not guarantee he/she will receive the scholarship--the final decision to award is made by the JASSO. If he/she is selected for nomination, Kyushu University will inform his/her home university and request any necessary supporting documentation, which then should be promptly forwarded. Please be noted that Kyushu University may not be able to notify him/her before his/her arrival to Japan if he/she is nominated or not.		
Part-time Work Permit	An international student has to get permission by the Immigration Bureau for his/her part-time work. He/she works not more than 28 hours a week.		
International Student and Researcher Support Center	http://www.isc.kyushu-u.ac.jp/supportcenter/en		
Housing	http://www.isc.kyushu-u.ac.jp/supportcenter/en/housing If applicants' enrollment period is until September/March, they are required to leave on-campus accommodation before the end of August/the middle of March due to the preparation of students coming next semester. Please check the website above for further information.		
Health Insurance	All international students are required to buy the National Health Insurance (NHI) Plan during the study period. By paying monthly premiums, subscribers are required to cover only 30% of their medical expenses. *We do recommend, however, that an exchange student considers buying travel insurance for emergency-related evacuation and repatriation costs, which NHI does not cover.		
Emergency Security Plan (ESP)	All international students at Kyushu University must subscribe Emergency Security Plan (ESP) during their stay (about 1,000yen/year).		
Estimated Cost of Living per Month	Housing and utilities: 15,000 - 50,000 yen Food: 30,000 yen (lunch at the school cafeteria runs about 400 yen, and students typically prepare their own breakfast and dinner at dormitories) Local transportation: 10,000 yen (individual spending habits may vary) Books and supplies: 5,000 yen (instructors typically provide reading materials in class) Health insurance: 2,000 yen Personal expenses: 20,000 yen (individual spending habits may vary)
