## Regarding Grade Point Average (GPA)

Kyushu University uses Grade Point Average (GPA) on a 4.0 scale for academic evaluation. This scheme, as defined in the table below, is a credit-weighted average of grading points. The minimum requirement of all applicants (for School, Graduate School, JTW and JLCC) is a GPA 3.2.

Grade Point	Assessment	Percentile Scale
4	Excellent	90 - 100
3	Good	80 - 89
2	Fair	70 - 79
1	Pass	60 - 69
0	Fail	0 - 59

If academic achievements are rated using a different system, applicants are requested to submit supplemental documentation which shows the scores converted into GPA on a 4.0 scale and explain how to calculate them, along with official transcript. This supplemental documentation is necessary to assess whether applicants satisfy the minimum requirement as exchange students.

Regarding Visa/Certificate of Eligibility for Status of Residence (CoE), the relevant information, how to apply for, will be provided to successful applicants.</p> <p><a href="https://www.isc.kyushu-u.ac.jp/intlweb/en/student/visa">https://www.isc.kyushu-u.ac.jp/intlweb/en/student/visa</a> *Japanese immigration law stipulates that international students with “student” visa have to spend at least ten hours in class every week.</p>

Please check the website above for further information.</p>
Estimated Cost of Living per Month	<p>Housing and utilities: 15,000 - 50,000 yen Food: 30,000 yen (lunch at the school cafeteria runs about 400 yen, and students typically prepare their own breakfast and dinner at dormitories) Local transportation: 10,000 yen (individual spending habits may vary) Books and supplies: 5,000 yen (instructors typically provide reading materials in class) Health insurance: 2,000 yen Personal expenses: 20,000 yen (individual spending habits may vary)</p> <p><a href="https://www.isc.kyushu-u.ac.jp/invitation/cost/">https://www.isc.kyushu-u.ac.jp/invitation/cost/</a></p>
